Karen,

Hi! Just thought that I'd write you a little bit here to tell you how much I love you and how much you mean to me. Remember all the fun times we've had this summer and forget the bad. Remember when you came down and we'de go out and have fun. Remember going swimming at the sandpits and the party in my Mom's duplex. Remember the times we just went driving around listening to the stereo. But more than all of that Remember that I love you and I always will.

God Bless You Always.

Love,

Karen Breese

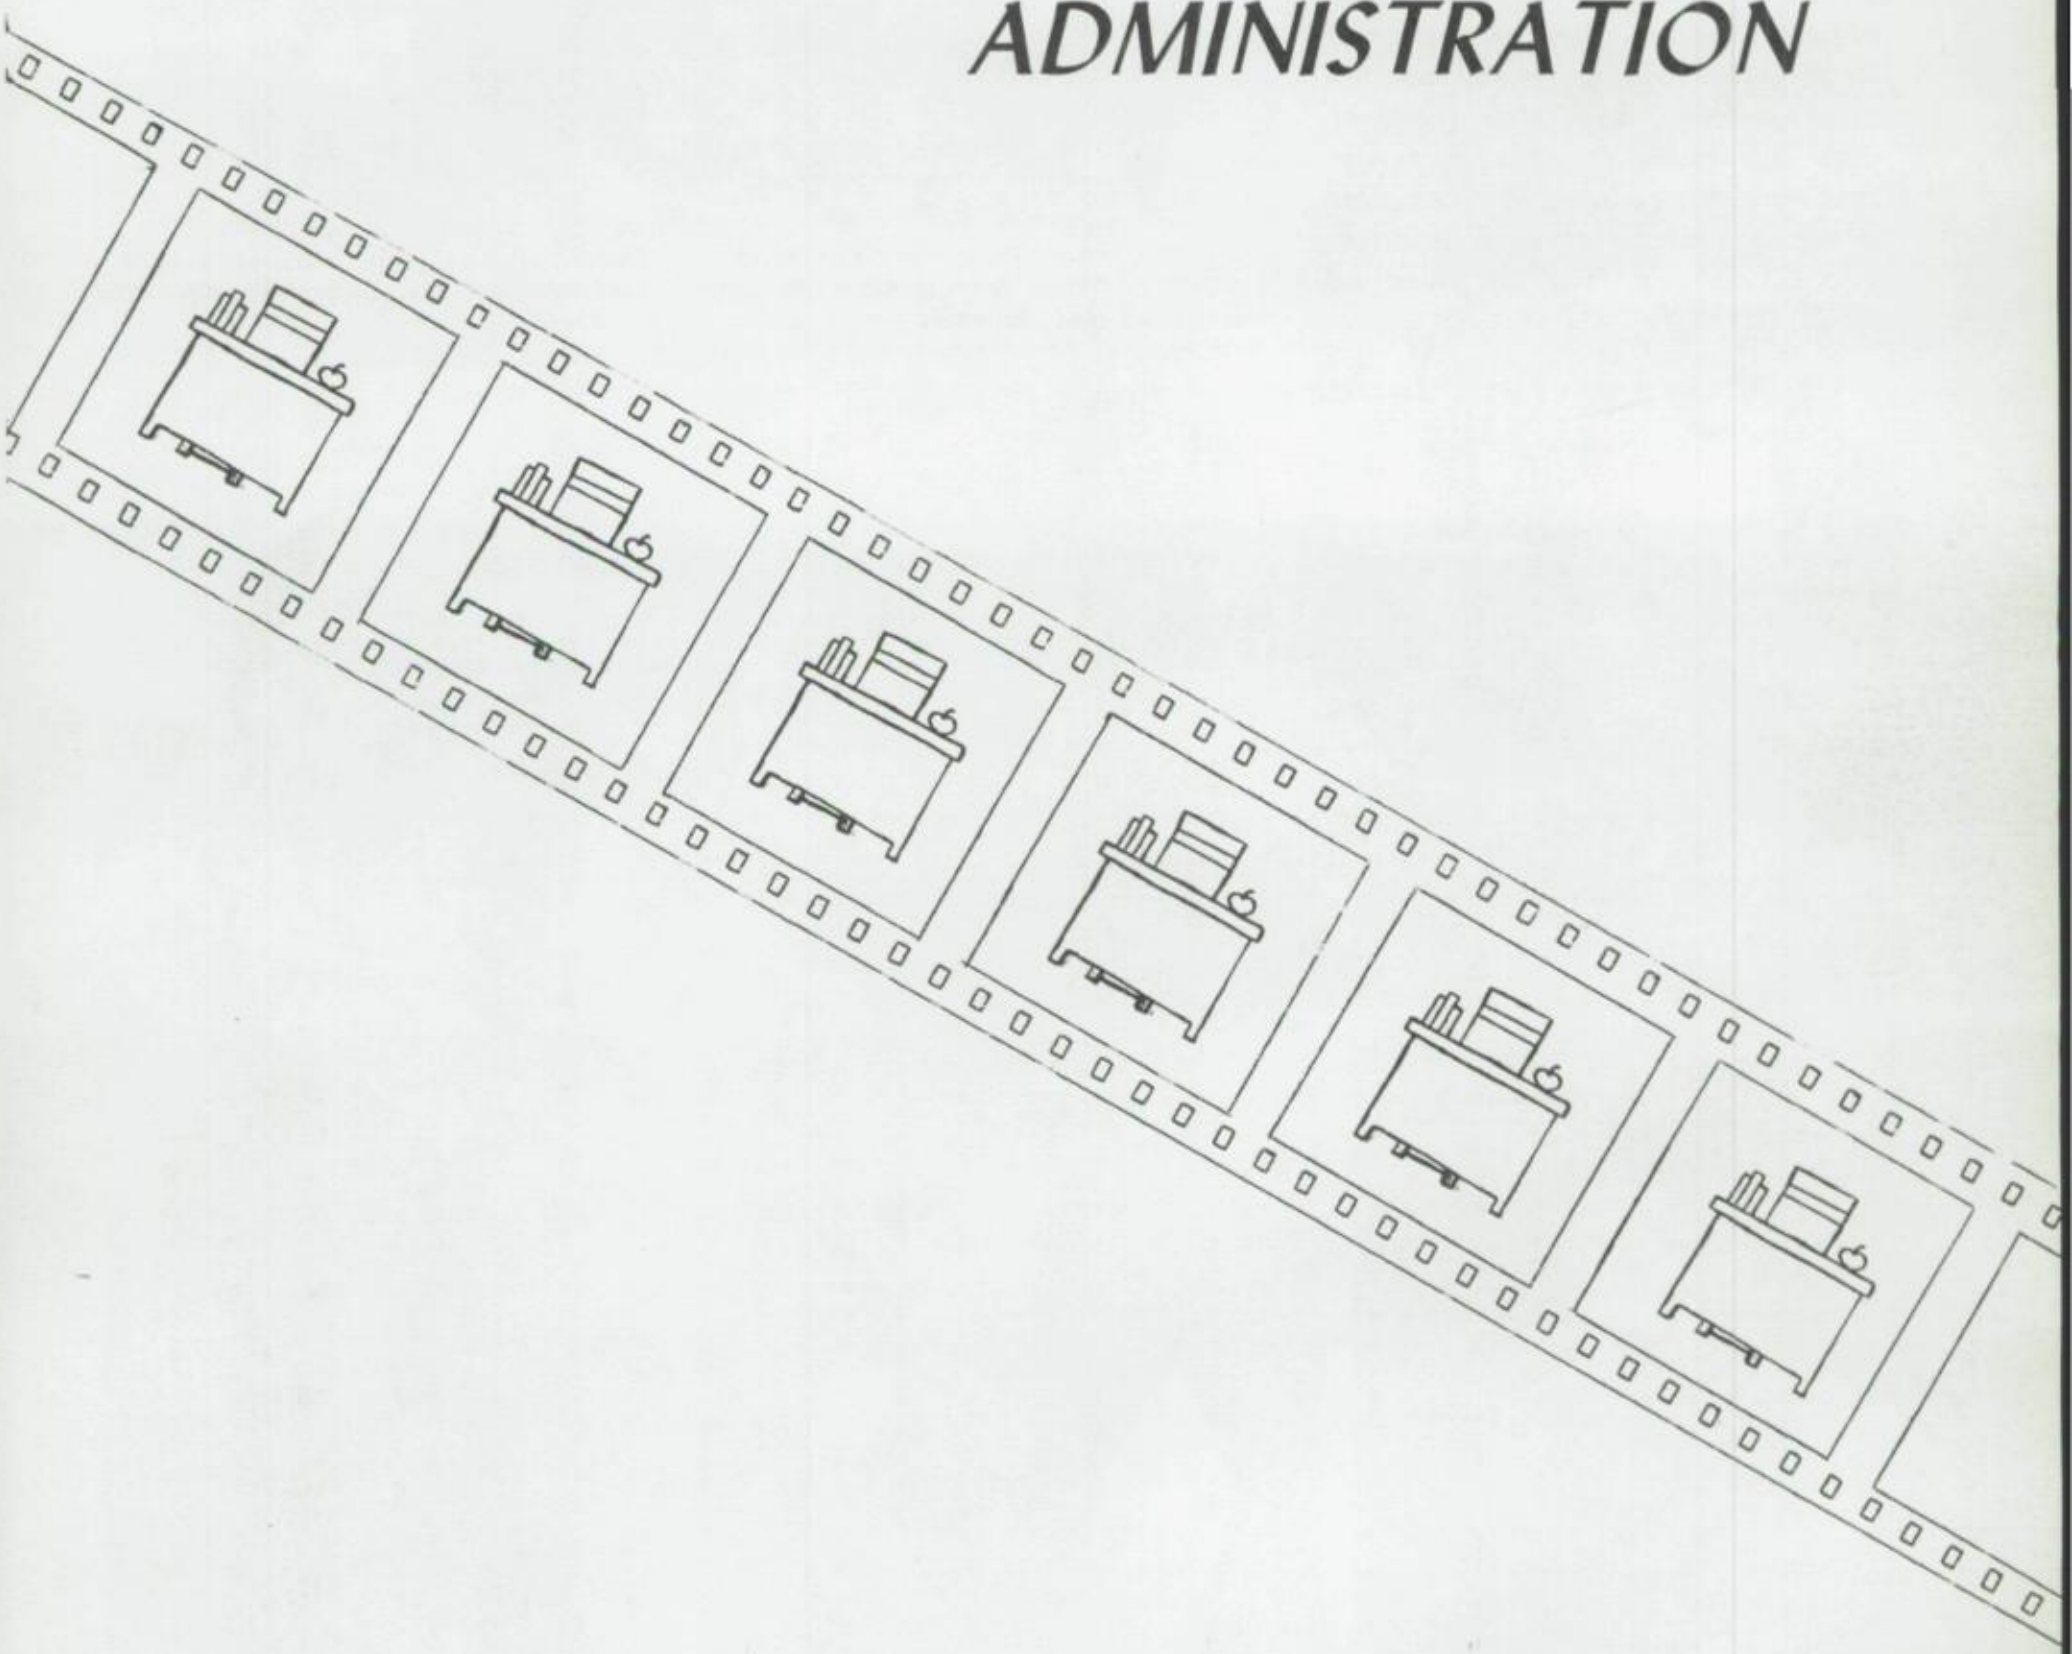
FACULTY AND ADMINISTRATION



Administration

The efforts of the NELHS annual staff should result in sharing with you the highlights of this our third year of operation. Of course people are most important, but events will also be noted. We think of the two new faculty members, the thirty-one new students that moved to our campus in August, and the first class of NELHS seniors. Always to be remembered will be the first football season, the concerts, the expanded athletic program, the long bus trips on Sundays to sing in the various congregations, and the frequent noisy bus rides to York. Yes, the Lord's presence was again so evident as He guided us through another school year. To Him be given all glory!

FISHING
HOLE

The first annual Jr.-Sr. Banquet was held April 30, at the Flying V of Utica. Pastor Gerald Free gave a moving speech on the combined topic of "What shall I do with Jesus?" and the banquet theme, "Time in a Bottle." Everyone there thoroughly enjoyed themselves.

What are you two up to now?

Barb and John announce their engagement!

A break after the food.

Now listen kids!

She hasn't bit him yet!

This is the next item up for sale.

Awards Banquet on May 16 began with an excellent meal catered by the ladies from Zion congregation of Clatonia. Next the awards were distributed by the faculty members. Finally the featured speaker, Karl Hochmuth, gave an inspiring speech on "Awards." A good time was had by all.

Honestly, it was this big.

This was our first football season. As a result our record of 1-5 was not very impressive. However, we were in every game and usually winning until late in the second half. The reason for the majority of our losses was inexperience and too many mistakes.

The highlight of the season came when we beat Nebraska Christian with an awesome display of offense. All in all it was a successful season because all the players grew in team work and in school spirit. We look for a better record next year because of our experience.

Basketball

The 1981-82 girls' basketball season was in some respects a disappointment and in others a great success. It was a disappointment in that the team's final record was not what it could have been. The varsity finished with a 2-12 record while the JV's finished 2-4. Coach Jaeger thought that the team had the potential to win at least half its games. The season was a success though in the most important facet of the game - effort. The girls continued to give 100% effort each game they played even in a season when wins were few and far between. The highlight of the season was winning the first game they played in district competition beating Gresham 23-21.
